B01-BLAIR

Cody is a sweet one. We brought in this fine babe from the shopping mall, and let us tell you friends, she's got some fine assets! This is one babe who is packing a whole lot of heat in her chair. We joined her in her back yard taking in the sun and dropping her bikini for the camera. Come watch this hottie open her hot, pink, little pussy for you. We promise you will not be disappointed!

DAY'S HOT, PUSSY'S WET

She tells us that she just loves to play with her tight pussy. When her fingers play around down there, shivers of pleasure coarse through her body and she can't stop shaking for several minutes. She also admits that she likes playing with her vibes and dildos when she feels horny, which is most of the time. But, we're fine with her pink pleasure spot winking for our camera. Oh, yeah!

WATCHING CHRISTINA

Girlfriend has a wonderful, exhibitionistic way to satisfy him

Some guys might not understand why I stay with my girlfriend, Christina. It is kind of weird. For one, even though she's 18, she's still a virgin and says she plans to stay that way for a while. What's even worse is, not only don't I get to fuck her, but I don't get to touch her either.

I know, it's hard to believe. She'll neck with me till my cock is rock-hard, she'll kiss me and grind her little pussy on my thigh until she's gushing through her jeans, but still I only get to feel her up on the outside of her clothes.

But wait—before you think I'm totally nuts, let me tell you what Christina does. Then maybe you'll understand why I don't give her up.

Christina's favorite way of getting off—hey, I said she was a virgin, not a saint!—is to lie on her bed naked, diddling herself with her fingers and toys until she comes. But that's not all. Christina especially likes it when I'm there to watch. And what really gets her going, what really lights a fire in her hot little pussy, is when I'm choking my monkey at the same time she's doing her pussy.

Plus, even though she's a virgin, Christina is not at all shy about talking about what's going on. She's like my own little porno movie, with a trash-talking soundtrack and everything. Only she's right there in front of me and she's real.

"Danny," she'll say to me, batting her eyelashes, "do it with me, okay?"

Yeah, like I'm going to refuse.

I follow her into the bedroom. She strips off all her clothes and hops into her big bed, which is all girly-girl like she is, and plays with herself. Soon I'm naked, too, and sitting in the armchair next to her.

Of course, just the sight of her like that, her little nipples poking up out of her almost flat chest, is enough to give me an instant boner. She's got a tiny little body, and she's all pale and freckly, which is the way I like girls, small and cute. From my chair I can see everything as she slides her fingers over her smooth skin.

"Oh, Danny," she coos, as she rubs herself, goosebumps breaking out all over her body.

"Touch yourself, too," she says, and of course I always do, stroking the soft skin of my straining shaft as her hands travel up and down her fine, taut body.

She likes to watch me while I pull on myself. If I'm lucky, she picks up one of her dildos and laps at it just like she was licking my cock. She stares right into my eyes while she sucks on it, and I can practically feel her wet tongue on my throbbing shaft.

Then she takes the dildo, wet from her mouth, and starts to tickle her little slit. It always makes

my cock twitch to see her use the toy to spread open those chubby lips, teasing her wet opening with the tip. By the time she's got her other hand on her clit, working her fingers on that little nubbin; my cock is fat and hard in my hand. It's all I can do to make it last, but I try hard, keeping my eyes on Christina.

She likes to diddle her clitty with one hand while she pokes the vibrator at her pussy-hole. She's always really juicy, and from my chair I can smell her thick girl-scent. I can't help but wish it were my tongue flicking at her fat folds, but instead I just watch and pump, watch and pump.

By this time, Christina's usually feeling no pain. She starts to breathe really fast, but still she watches me stroke my stiffening shaft.

"Yeah," she murmurs, her eyes bright. She probes more deeply with the now-slick dildo. "Oh," she gasps, "it's like your cock is right here."

She smiles at me. "I like the way it feels, Danny," she says, her eyes hooded, "I like the way your fat cock feels in my pussy."

That's almost too much for me, and I hold my breath, my cock tight in my fist.

"You're fucking me now," she says, her voice quickening as surely as the finger on her clit. And with that she shoves the vibrator into her pussy and starts pumping it in and out. Both of us moan as she fucks herself, murmuring, "Oh, Danny... Oh, Danny...." as the toy shoves inside her just like my cock would.

Then she's moaning and her hips start to buck, and soon she's screaming out my name as she peaks. "Oh, Danny," she cries, her eyes closed now. "Fuck me harder now, Danny...Oh, god...." Her cries turn shrill as she arches into her orgasm, raising her tight butt off the bed as she plugs her tight hole.

I feel the familiar heat begin in the base of my aching shaft, and suddenly I'm coming too, my creamy jizz shooting out of my swollen cock. Christina always likes this part, and if I look, I can catch her licking her lips while I shoot my load in the air, groaning at the release.

"Was it good for you, Danny?" she always asks at the end.

What can I say? Yeah, duh, it's good for me. Sure, I'd like to be pumping her virgin pussy; sure, I'd give anything to suck on that juicy little slit. But in the meantime, it's not too bad watching Christina touch herself and talk dirty to me until we both gush.

I know plenty of guys who would give anything to be doing what I'm doing. Maybe you're one of them.

If you are, I bet now you understand why I'm not about to give her up.

Danny, New York

PUSSY SHOW OFF

Giving the manager "the business"

It was just after closing, and I was working late at the supermarket where I'm a cashier. Bored, I went into the manager's office. His name is Ed, and he's really a cool guy. On a whim, I decided to show him the tattoo I had done down at the shore. It's just above my right hip, and suddenly I felt very naughty. Deciding to show him more than just the tattoo of the long-stem cherry, I slowly lowered my pants and panties all the way to my knees.

My pussy was only inches from his face. He leaned in and kissed the tattoo. "Mmm," he murmured. "Does your other cherry taste as good?" Then he leaned in closer and laid a long, slow lick up the length of my slit. That sent a shiver through my body.

His fingers kneaded my smooth, firm upper thighs, then slid down over my neatly-trimmed pussy. My juices were pouring out of me, and I could see how his fingers started to get wet as he played with my outer lips. Then he moved in and started lapping relentlessly at my pussy, like he was some

thirsty mongrel who had just found the best watering hole in the world.

"Ohh, god. That feels so good!" I gasped, running my hands through his thick head of wavy black hair. His tongue was sending tingles to every nerve in my body. He lashed his tongue deep into my heated crevice, and I felt currents of pleasure race through my body. He burrowed his nose against my pussy-hairs and stuck his tongue as deep inside my pussy as he could, flicking it around in every direction.

When he started to strum across my engorged little clit, it felt like a flare going off. My whole body was sizzling and sending off sparks. He had to cover my mouth, I wailed so loudly.

"I—I never had that happen," I said, when my body finally stopped shaking.

"Tell me what you think," he said, lowering his pants and introducing a rock-hard cock into my hand. He guided my mouth down to the torpedo-shaped head.

The musky smell coming from his crotch really turned me on. I stuck my tongue out and licked around the head, tasting the sweet pre-cum oozing from the tip.

"It's so big," I said, doubtful if I could take very much of it in my mouth. The corners of my mouth strained and I almost gagged, but somehow I managed to envelop the head with my lips. I slid down his shaft a few inches, savoring the hot warmth in my mouth. I was making all these obscene slurping noises, which seemed to turn him on even more. His balls in my hand felt like hard nuggets.

"Yeah! Jessie! That feels great!" he said, both his hands holding my head as he pumped more cock into my mouth. I was so thrilled that I was able to give him such pleasure. I was committed to trying everything there was at that point.

"I need to fuck you," he said, suddenly pulling away. Even though I wanted to taste him, I wasn't too disappointed. My pussy was aching for something more, and I knew that what had stuffed my mouth would be the perfect fit.

"Yes!" I urged him as we switched positions. "Fuck me!"

He pulled my pants all the way off and, gripping my ankles, spread my legs. I felt the mouth of my pussy widen for the bulging head of his cock. There was a little sting followed by the usual rushing sensation of fullness that took my breath away.

"Ohhhh!" I sighed, moaning and thrashing my arms. "It feels so good!"

He started with long, slow strokes that allowed him deeper, more gradual access to my tight pussy. My sex-honey made everything slide faster and easier, and soon his balls were slapping the crevice of my upturned ass. I felt waves of fire dance through my body as his blood-engorged hardness continued to pummel my eager pussy. My pussy felt like it was sucking at his surging hardness, a greedy little sex-mouth that couldn't get enough.

"I'm ready to come!" he gasped as he began to really pound down into me. It was like he wanted to nail me to the chair with his cock, and I loved every thrust. The way the top of his shaft rubbed against my clit on the downstroke soon triggered another bone-rattling orgasm. I thrashed beneath him.

"Take it in your mouth!" he suddenly said, whisking his cock out of my pussy and hovering over my face, prodding my lips apart.

He slipped in, all wet and dewy, pumped three times, then rocketed a stream of cum against the back of my throat. It was wonderful! It tasted both salty and sweet, and I swallowed as much as I could, although some of it did leak out the sides of my mouth. He kept gushing down my throat, like he had gallons of cum stored in his balls.

When it was finally over and we had straightened our clothes, he kissed me and made me promise that in the future, I would show him any other tattoos that I had done.

Dazed and feeling like I was floating in the clouds, I left his office smiling. I vowed to get right back out and get my next tattoo—maybe of a nice, red rose, right on my butt!

april & mika

April drove 50 miles to her friend Mika's house, when she found out they'd be shooting a hot sex scene. They met only a few months ago on another set and became instant friends, but have not done a scene together since then. This time they would. When the two met on the set, they were all over each other. Hellos turned into kisses and kisses turned into, well, you know. They couldn't wait to get their hands on each other.

HOT DILDO PLAYMATES

While the crew was setting up, the girls started licking each other's pussy. Later they told us that each one of them came. Too bad the cameras weren't totally set up in there at the time but we got some really hot footage and great photos of the two. Fortunately, the cameras were up and shooting full speed as the big, bright orange dildo worked it's way into their tight pussies and even tighter asses. Watch and enjoy. We did!

STRETCH MY HOLE

Making love is a often a two way street, so I've only ever asked my men to make one thing happy, my ass. You know what they say – happy asshole... happy fuck, or something like that. I hope you guys will take the time to appreciate what you're about to see. Me, Sasha, a sweet young thing about to have my ass plowed by a delicious mass of man meat. I admit that I've done it once or twice before and it's an absolutely fabulous feeling. So let me get down off this trunk and welcome that cock waiting so patiently over there to make my ass a happy place. But like any good ass fuck, it all starts with a good lube and plenty of patience as it goes in, and out. Somehow I can sense all of my nerve ending inside my anus getting excited to the point where I have a huge climax.

BOB BLAIR

carmel & oasis

We've each quit looking out for that perfect man because we know he probably doesn't exist. Open doors? Bring you roses? Make dinner? If there's anyone out there like that then please let us know. In the meantime, there is solace in each other's arms. In the arms of a woman there is love. There is warmth and there is an understanding of what the pussy needs.

WE'RE STILL HORNY!

It needs to be rubbed and licked and warmly attended to. Not just blasted in and out by some rough fingers or rogue cock. No – there is a softness that makes us purr when treated properly. If you can master that intimate piece of foreplay, you will win the heart, and by extension, pussy of every woman you bed. And that would be a lot of them once the word gets out.

A horny couple acts out their greatest sex fantasy

backseat threeway

I eased the big car away from the curb in front of the hotel and maneuvered through the sparse late-evening traffic that wound its way around the downtown park. The limo handled beautifully, gliding among those who were "merely driving" like a hawk among crows. I felt set apart, insulated in quiet comfort from everything that was outside.

A soft moan pulled my eyes to the rearview mirror. A large clear plastic privacy shield separated me from the action in the back seat, but the mirror provided a visual and the switched-on intercom brought me the sound.

The woman had slipped the strap of her evening dress off her shoulders and pulled the material down to reveal her luscious tits. A dude on each side of her licked and sucked a nipple while she purred and pressed their mouths tighter against her chest. Blonde hair cascaded down her back, gleaming in the glow cast by the streetlights.

The bulge in my pants was unbearable and I massaged it savagely as I watched the woman, my wife, eagerly pursue her passionate lovemaking with those two studs. I gunned the Lincoln toward an industrial complex on the east side of town. Minutes later I pulled alongside the curb in an area dominated by metal warehouses, where we wouldn't be disturbed.

Diane broke their three-way embrace, disengaging herself from the fingers probing her pussy beneath her dress. She utilized the big back seat like a pro, positioning the dark-haired stud with the mustache against one door and tugging down his pants. His erect cock sprang out and she began to slurp it up, her ass in the air, her dress bunched around her shapely thighs. She wiggled invitingly and pulled the hem up to expose the naked whiteness of her ass.

The stocky blond smiled and unzipped his pants. Diane cooed when she reached back and found his cock; it was longer and thicker than the one in her mouth. When the blond pressed into her, Diane grunted but shoved her ass back hard against him until he was buried. If the two guys noticed that the chauffeur's eyes were riveted on the rearview mirror, they kept it to themselves. They had their hands full with Diane.

She was engaged in a masterful blowjob; her mouth hollowed and stretched, taking the head to the back of her throat, bobbing it against her tonsils as she had done with me so many times, then withdrawing to the tip, maintaining her exquisite suction, twirling her tongue around the underside of the circumcised head. The dark-haired guy was feeling the effects; his mouth was open and he had begun to raise his hips in rhythm with Diane's sucking. She in turn was responding to the meaty tool of the thrusting blond. Her ass bucked and rolled wildly as her pussy took all of his savage fucking.

My wife was being fucked by two men and I loved every second of it. I had my cock out and I timed my orgasm to theirs with care and precision, rubbing gently at the head, stalling my cum until they were ready.

Diane came first. Her ass and head bobbed furiously and moans leaked from her mouth despite the fact that it was stuffed with cock. Her

thrashing set the other two off. The big blond threw back his head and dug his fingernails into Diane's ass, leaving red trails that would turn me on for a week. His dark-haired friend brought his hips into Diane's pistoning face one final time and emptied his hot juice into her mouth.

Diane continued to milk them and I struggled to control myself until her finale. There it was! She backed her lips to the head of the shrinking cock in her mouth and let rivulets of sperm run down her chin. One final squeeze and I came, jetting my load across the front seat, nearly to the passenger-side door.

When I'd recovered and cleaned up the front seat, I started the car and Diane and the men put themselves back in order. Soon we'd dropped them off where she'd picked them up. Then Diane and I headed for our motel room where we would fuck like animals and share and savor every detail of the evening's action.

I have been married to Diane for 11 years. She is the hottest, finest 32-year-old woman I have ever encountered. Last year the thrill seemed to have gone out of our love life and I tried to think of a remedy. I came up with a twist that both of us have found very exciting: Acting out a sex fantasy with Diane playing the wealthy society fox cruising for cock; I am her driver.

We decided to do it at a large city within two hours of our home. The distance and the big city population provide the desired anonymity the fantasy requires. We arrived a day ahead to rest and to do some shopping. We finally rented a black sedan with silver velour interior. It was furnished with plush carpeting, TV, wet bar and kick-ass sound system, and a rearview mirror with a panoramic view of the big back seat.

I paid off the driver and put on a chauffeur's outfit, complete with visored cap. Diane put on as little as possible. I let Diane out at a cocktail lounge that looked promising; she checked things out inside. If a guy (or two) interested her, the plan was she'd ask if he'd like to share a little action in her limo. I've always had a streak of the voyeur and when I watched my lovely wife fuck those two young studs I was horny for weeks. And Diane had the opportunity to sample any man she found attractive ... with her husband's approval, of course.

Three months later we were both eager to act out the fantasy again. It started when Diane picked up a huge stud in the bar of a motel near the airport. When she brought him to the car I was stunned. He had massive arms and a trim waist, and I swore he must be a defensive lineman for a pro football team. I was anxious to see whether his cock was as large as the rest of him and, if it was, whether he'd be able to make it fit in Diane's pussy.

They began kissing passionately before I'd even pulled away from the curb. Despite his bear-like appearance, the big man was gentle. He realized that Diane was hot, as hot as I'd ever seen her. He seemed intent on driving her mad by proceeding at a leisurely pace. Diane reached for his dick, but he pushed her hand away and slid the spaghetti straps of her dress off her shoulders. I made several circuits through some sleepy residential neighborhoods while he stroked her tits and licked them while Diane literally begged for his cock. I was searching desperately for a secluded parking place. I finally found a row of houses, all with the lights off. I parked the car and locked my eyes to the mirror.

As though on cue, he let Diane tug down his zipper. When that mammoth hunk of meat came into view Diane's gasp matched mine. This guy was truly hung like a horse. The big man smiled as Diane fondled his cock, ogling it all the while. It protruded like a majestic wand from a curly, black mat of pubic hair. It was at least nine inches in length, with thick veins and a fist-like head. I unzipped my pants and began stroking my shaft.

Diane dipped her head to his crotch, took as much of the huge club into her mouth as she could, then clutched both hands around what was left and pumped away. He locked his hands behind his head and tried to keep his composure, but Di-

ane's tongue is second to none and she was doing her best work.

Soon his breathing quickened and he moved his hands to her head. Diane was mewing and squirming like a woman possessed, her eyes wide with desire that bordered on obsession; she straddled one of his legs and rubbed her crotch against him as she sucked. As the big man responded, Diane's sucking grew more intense and her mouth literally pistoned on the giant black prong. It glistened like polished ebony as it pierced her face again and again.

His face contorted and he forced her to take even more of his cock as he came. Diane sucked like a vacuum, letting a little seep from the corners of her mouth far my benefit, though I don't think she wanted to give up any of it. I came immediately in a series of geysers that rose higher than the dashboard.

Diane continued to suck him. It was obvious that he hadn't lost his hard-on. He practically had to pry Diane off his cock. He drew her up, lifting her dress and stroking her pussy. She wore no panties and when he touched her she shivered. He fingered her to the brink of orgasm several times. I thought Diane would go insane each time he prolonged her ecstasy.

At last he positioned her like a helpless doll above his pole. The entire length was visible as he lowered her pussy onto the bulbous head. His shaft was thick as a wrist. The biggest she'd ever taken. I began to wonder if she could open wide enough; and I am sure Diane was eager to find out herself. She let him hold her, reaching a hand between them to spread her pussy lips with her fingers. She sighed with delight as he eased her pussy down over the swollen head. Then, a fraction of an inch at a time, he pressed his staff inside as he pulled her over him.

My cock was erect again and, despite having just cum, I had to stroke myself gently to keep from erupting.

The big man's casual pace gave Diane's pussy a chance to open for him, but it was also driving her wild with anticipation. She wanted all of him and he was holding her above him, making her take it as he gave it. His hips now began to pump rhythmically to aid penetration as he lowered her. Three inches remained. Then two. Finally he cast a knowing grin toward my reflection in the mirror and jammed Diane down on the final inch. She screamed, her pussy bursting in a shuddering orgasm that left her clutching his shoulders for support.

When she had calmed he began to fuck her for real. His big hands squeezed her silky ass and she gladly gave herself to his manipulation. He used her and she loved it. His cock was covered and uncovered by her pussy as he raised and lowered her over the entire length of his shaft. When he picked up the pace Diane clawed at his chest with her nails, her head thrown back, silky yellow hair covering her back nearly to her ass. She didn't need his help now. She went wild, fucking up and down, plunging that great tool to the back walls of her wanton pussy.

As they neared climax, the big man turned himself so that his head and shoulders pressed against the back seat. He spun Diane so that she faced away from him, toward me. They hadn't missed a stroke. My cock was like steel. I could see it all. My wife's face twisted in passion, her hands massaging her mounds, his fingers rubbing her clit, the thick shaft framed between her thighs. We came together, Diane's squealing explosion leading the way.

After we dropped him off, Diane moved to the front seat and sucked me all the way back to the motel. The entire evening remains etched in our minds like a series of erotic photos.

That was nearly five months ago. While we are anxious for a repeat performance, Diane and I both realize that the thrill of the adventure is so extraordinary because it is not commonplace. The limo provides the perfect setting to take us from the ordinary to a world of dream-like isolation, where erotic fantasy can come true. As long as we don't overdo it.

summer

Some of the hottest things happen in the summertime. And this Summer is bound to be a hot one. She left the cold Midwest for the sunny warmth of Arizona, but found that too hot, so now she's become an L.A. lover. That's the perfect place for sun lovers and, better yet, nature lovers to explore. Fresh and free, she's about to explore herself in the warmth of the sun and play with her favorite vibrator for fun!

I NEED TO COOL OFF

But that hot pussy of hers needs to be cooled off first. With warm hands on her pussy lips, she pulls them gently apart until just the right amount of breeze strikes her love hole. It's wetness and the breeze cool things down, but her vibe is beckoning her for attention. Picking it up, it finds its way to her waiting opening and inserts itself for her, and our, enjoyment.

don't let my size fool you because I can suck and fuck with the best of them. That means my mouth and pussy can handle a big cock. I dare guys to 'bring it on' and test me. They are all pretty shocked when they see the entire thing disappear down my throat, or deep into my soaking wet pussy. When I'm asked why I do adult photos and videos, I tell them because I just so happen to love sex.

I HOPE THE NEXT FEW PAGES ARE AS EXCITING FOR YOU AS THEY ARE FOR ME

dillion

And I'm very comfortable with sex, and that didn't take very long. I fucked a lot in college. Then, after I did a shoot or two, I got to love the camera. So when my partners came out on set, it only took a time or two but I got comfortable with getting fucked on camera. All the guys early on were very patient and nice, so it was easy to relax and fuck them. I hope it shows when I perform.
